

2 winning entries for Star Week 2024

Mix it, turn it, make it, burn it,
Filter, drain
Clean and strain.
Balance once you calibrate.
Equalise then calculate.
Sample, record, and endless testing
Shake it and observe it resting
Connect, charge and see it glow
Plant a seed, watch it grow.
Feed the worms then set them free
DON'T FORGET YOUR PPE!
Dissect up, clean up the mess.
Neutralise - check Risk Assess
This "Labbie" is a multitasker!
So please help 2025 Conasta!
